Ormiston Way- All reps came together with their class top 10 choices out of the 20 chosen by school council.

Suggestion box-

Stop people pushing in the line,

Have a year 6 prom,

Have more special weeks,

Have a sport mascot,

Have a country theme for school dinners,

Can year 6 have extra swimming lessons?

Can we have drinks at playtimes and lunchtimes, the water fountains do not work and we are not allowed in classes.

Any other business

There are lots of issues around all the toilets – people have been dumping stuff in the toilets (i.e. sticks, tissues, pencils, rulers, whole loo rolls), in year 6 toilets people have been weeing on the floor around the toilet. Year 3 report that people mess about in the toilet and smear soap over the mirrors.

The number cards that the lunch time supervisors use outside are too small, can they be bigger please.

Not all toilets have mirrors in them, please can we have mirrors, the boys would like mirrors in their toilets too.
