

School Council Meeting Friday 7th July 2017

Mrs Rochira welcomed all members of School Council to the meeting, our last one of this academic year, 2016/2017.

We wish our current Head Boy and Head Girl and their Deputies good luck in their new schools and for the future. They have all been excellent in their roles and we thank them for their time, commitment, dedication and hard work.

Thank you also to our excellent members of School Council and we also thank you for your commitment, dedication and hard work.

We are very proud of you all and grateful to what you have achieved this year:

Fundraising (Non Uniform days, Guess the sweets in the jar, selling second hand uniform, disco)

Making important decisions- like choosing House names, colours for new toilet cubicles, OMA Way, introducing the Buddy Bench.

You have liaised with Mrs Watt and Mrs Rochira and fed back any suggestions/ questions or ideas that have come from your classes.

You have raised many issues over the year: playground rules, football teams, behaviour system, tuck shop, new mirrors in new toilets, themes for school dinners and many more.

We wish you all a very happy summer break.
