

Learning Links

This week's Learning Log:

Welcome back ☺ It has been a very busy week! On Tuesday, we received an exciting invitation for a royal tea party with the Queen. We created our own place cards, decorations and gifts for our guest. We have been learning lots of interesting facts about the Queen and London in particular. In geography we learnt about the United Kingdom and were able to locate various places on a map.

English

This week we have been sequencing events from the extraordinary tea party. We have been thinking about our favourite part of this memorable experience. We have also been researching the Queen. We have written a list of things we could ask the queen if we ever got to meet her again.

You could:

- Find an interesting fact about the Queen and share it in class.
- Practice using positional language to describe things around your home.

Year 1

08.09.17

Please remember to bring your P.E kits **every Wednesday.**

Maths

In Maths, we have started to learn about place value. We will be continuing this topic for the next few weeks. We have been practicing counting up to 20 objects, matching the number to the amount of objects.

You could:

- Practice writing the numbers 1-20.
- Organise a list of numbers from biggest to smallest.
