

Learning Links

This week's Learning Log:

We've begun to write our own superhero adventure in English, using a story map and the structure of Supertato to support us, the children's ideas for their own story have been amazing. To expand our superhero knowledge, we have also begun to think about what a superhero really is, so we have learnt about Florence Nightingale and travelled back in time to see what hospitals looked like before she used her "super power" of determination to change things for the better.

Power of Reading week beg. 3/07/2017

This week we shall look at writing a recount of our trip to Kidzania. We will think about writing in order, using time connectives, what we did and what our favourite part is.

You could:

- Identify words written in the past in your books.
- Talk about your day and encourage your child to use words such as, First, then, next, as well as, also, finally

Important words:

Capital letter, Full Stop
Finger Space, High frequency words
Suffix -ed, -ing, past, present, tense, verb, time connectives

Year 1

Next Week

Beginning: 3/07/17

Teachers:

Monday – Mrs Rochira

Tuesday – Friday – Mrs
Bramley

PE Day – Thursday
outdoors.

Homework –

Wednesday

Spellings - Friday

Maths week beg. 3/07/2017

In Maths this week we shall be look at ordering two digit numbers, finding missing numbers as well as using this to solve place value addition calculations.

You could:

- Use coins to show a value of a number, for example 23 could be shown with 10p, 10p and 3p.
- Use your 100 square and cover up numbers for your child to recall. Challenge them by asking how do you know your right? Can they use their 10s and 1s understanding to explain why they are right?

Important Words:

Coins, amount, total, change, pence, addition, subtraction
