

Learning Links

This week's Learning Log:

This week we been continuing with our topic; 'Bright Lights, Big City'. We have created life size London landmarks from cardboard and taken our sock puppets for an adventure to see the sights! We have been continuing to expand our collection of facts about London. We have enjoyed reading about the stolen artwork in our class story and taking part in drama based activities to investigate this further.

English

This week we have been using writing detailed descriptions of Claude, using adjectives. We have also been practicing writing persuasively, by making colourful posters to encourage people to visit the art gallery in our story. We have created freeze frames in groups, to demonstrate different points in the story. This helped us to explore the thoughts, feelings and emotions of each of the characters at different points in the story.

You could:

- Describe the different sculptures we have read about to an adult.
- Design your own missing or wanted poster, like the one we made in class, focusing on using descriptive vocabulary.

Year 1

22.09.17

Please remember to bring your P.E kits **every Wednesday.**

Maths

In Maths, we have been continuing to work on our estimating skills. We have practiced estimating amounts for a range of different groups of objects, and then counting in 5's or 10's to check. We have also been working on understanding place value in teen numbers. We have been practicing 'team counting' to help us become familiar with our 5 and 10 times tables.

You could:

- Practice finding one more and one less than a given number.
- Practice chanting your 10 times tables.
