

## Learning Links

This week we have gathered details on the first moon landing and have written our own newspaper reports on the landing. In maths we have started to look at finding the perimeter of shapes by identifying missing sides.

### English

Next week we will edit our Big Write and write our final version. It is also assessment week next week.

#### **You could:**

- Recap spelling rules we have looked at over the last few weeks.
- What vocabulary do you need to make sure you have in your newspaper report?
- Read a newspaper report to remind you of how one should look.

### Year 5

Next Week

Beginning:

25/06/2018

### Maths

Next week we will continue to look at perimeter and area. It is also assessment week.

#### **You could:**

- Write the rules on how to find the perimeter of a shape.
- Write the rules on how to find the area of a shape.
