

Learning Links

This week we have started to look at features of an explanation text and continued to look at perimeter and area in maths. We also got to meet our new Year 6 teachers.

Art and Music

Next week is art and music week. During this week we will be taking part in a number of different activities and attending a workshop. Activities will include creating a torn paper beast, a feather project as well as performing our own songs. It's going to be exciting and very creative!

To prepare you for this you could conduct research on a composer called Mason Bates.

Think about what sort of imaginary creature you could create.

Year 5

Next Week

Beginning:

02/07/2018
