

## This week's Learning Log:

This week we have been using column method to work out multi step problems as well as looking at mastery in math's. They have been designing their own Flugtags and working out how much they need to spend on materials. English we have been understanding the key features of persuasive speech. In topic we have been focusing on the peasant's revolt and have made a newspaper article about the day it happened.

### English

Next week in English we will be completing our persuasive speeches and performing them to each other.

#### You could:

- Look over the Year 5 and 6 spelling list as spelling is something we are struggling with.
- Practice speaking to an audience and building our confidence in reading clearly.
- Practice writing sentences with the correct punctuation (capital letter, full stop, comma to mark a pause).
- Play some SPAG games  
<https://www.topmarks.co.uk/english-games/7-11-years/punctuation>  
Cornerstones

We are checking our mealworms and can now see some of them changing into the next stage of their lifecycle.

### Year 5

Next Week

Beginning: 8<sup>th</sup> October

Remember to read as much as possible to try and widen our vocabulary 😊

### Maths

Next week we will be looking at estimation and how we can check to see if our answer is accurate by using prior knowledge.

#### You could:

- Practice number bonds to 10 and 20 so they are as quick as possible for addition and subtraction.
- Re-cap over rounding ask the children to perform their we will round you song.
- Practice mental math's addition and subtraction.  
<http://www.primaryresources.co.uk/maths/pdfs/mentaltest.pdf> (short quiz you could practice and change the numbers each night?)
- Practice some other skills online
