

## This week's Learning Log:

This week we have been continuing to look at column method to work out multi step problems as well as looking at mastery in math's. We have also been checking on our mealworms and observing their changes! We have started to look at how clean our hands are by carrying out a science experiment using agar jelly. We have also been innovating in cornerstones to create a crime scene classroom as if the plague has come to Ormiston Meadows.

### English

When we get back from half term we will be looking at fantasy narratives.

#### You could:

- Look over the Year 5 and 6 spelling list as spelling is something we are struggling with.
- Read any narrative books to widen the childrens vocabulary and ignite their imagination.
- Practice writing sentences with the correct punctuation (capital letter, full stop, comma to mark a pause).
- Play some SPAG games  
<https://www.topmarks.co.uk/english-games/7-11-years/punctuation>

### Year 5

Next Week

Beginning: 29<sup>th</sup>  
October

Remember to read as much as possible to try and widen our vocabulary 😊

### Maths

Next week we will be looking at statistics including different types of graphs.

#### You could:

- Practice times tables over the half term (especially 6,7 and 8s).
- Make some bar graphs and look at what the X and Y axis represent.
  - Practice some other skills online
