

This week's Learning Log:

This week we have been carrying out some check-ups in English and maths to see where children are at this point of the academic year. We have also had parents evening and have changed cornerstones topic to Alchemy Island. In RE we have also moved onto Christianity, specifically looking at the Pentecost.

English

We have completed our check-ups in SPAG and reading.

We are now planning our Fantasy narratives. Next week we will be planning the sequence of events in our story and writing it.

You could:

- Look over the Year 5 and 6 spelling list as spelling is something we are struggling with.
- Read any narrative books to widen the childrens vocabulary and ignite their imagination.
- Practice writing sentences and then extending them on using clauses.

E.G. Once inside the portal Chaz, who has never been more dizzy, leapt to his feet to face the most gigantic dragon he has ever seen.

- Play some SPAG games

Year 5

Next Week

Beginning: 5th
November

Remember to read as much as possible to try and widen our vocabulary 😊

Maths

Next week we will be looking at line graphs and how we can plot our own.

You could:

- Practice times tables over the half term.
- Look at different graphs online and discuss with children what they are telling you.
- Make tables displaying the information on the line graph.
 - Practice some other skills online
