

This week's Learning Log:

This week we have been finishing our fantasy narratives and beginning to identify the features of non-chronological reports. It has also been anti-bullying week. In year 5 we created some E-safety rules and wrote friend reviews to promote kindness in the classroom. Finally as a whole school we have been looking at the book "I saw a cat" to think about how we are perceived by other people, from this we created some artwork.

English

Next week we will be finding facts to eventually create a non-chronological report all about gold looking at the internet and looking at books.

You could:

- Look over the Year 5 and 6 spelling list.
- Look at some non-chronological reports to show children the lay out. If you find any around and about to use as good models for the children that would be great.
- Practice handwriting with the children's spelling homework to encourage joined cursive handwriting.
- Practice reading with pace, we have looked at text marking books to help us with our reading encourage children to show you how we do this (they should have bookmarks to help.)
- Play some SPAG games

Year 5

Next Week

Beginning: 19th
November

Remember to read as much as possible to try and widen our vocabulary 😊

Maths

Next week we will beginning to look at multiplication and division.

You could:

- Play games to improve multiplication skills up to 12 times table.
 - Look at factors of a number.
 - Look at sharing objects out using division.
