## This week's Learning Log:

PE will now take place every Tuesday and Thursday.

Year 5 will be visiting Ormiston Bushfield Sports Centre on Monday afternoon. They are to arrive to school in their school uniform and will change into their PE kit just before lunch.

Useful websites to support learning and homework are <http://www.bbc.co.uk/bitesize/ks2>, <https://uk.ixl.com/math/year-5>

### English

Throughout the course of the next couple of weeks we will be working towards writing a chronological report about the Titanic. We started the week looking at both language and layout features which we will use towards our own writing. We have studied the Titanic timeline of events and devised questions to gather research.

You could:

- Find examples of chronological reports to help you lay out your own.
- 10 minutes of daily reading of your favourite book.
- Look over the Year 5 and 6 spelling list.
- Practice handwriting with the children's spelling homework to encourage joined cursive handwriting.
- Play some SPAG games

### Year 5

Next Week

Beginning: 14<sup>th</sup>  
January 2019

### Maths

This has been our last week looking at multiplication and division where our focus has been on multiplying and dividing by 10, 100 and 1000. Next week we are going on to our new unit of Area and Perimeter.

Important vocabulary

Base, height, length, multiplication, addition, square, rectangle, compound, recti-linear.

Use Timetables Rockstars to practise your times tables weekly.
