Be your Best, Expect the Best, Succeed Together

Wednesday 18th March 2020

Dear Parents/Carers,

Home learning pack

Currently Ormiston Meadows Academy remains open; however, we need to plan in the event of a school closure.

Please find enclosed everything you will need for your child to continue their learning at home. You will be supported with daily tasks set by your child's class teacher via Marvellous Me. These will be set throughout each day so please ensure you check for updates on a regular basis. In addition to the set tasks, you should also:

- Read with your child for at least 20 minutes a day and discuss what they have read
- Practice times tables (www.trockstars.com) or number bonds for KS 1.
- Practice Phonics – KS 1 pupils

It is our responsibility as a school to continue to monitor the pupils learning and wellbeing. Therefore, each class teacher will be monitoring the completion of work through the use of the 'Hi 5' system on Marvellous Me. Once your child completes the set activity, you will be required send a 'Hi 5' to confirm this. I will monitor this log and I will contact parents of any children not seen to be completing work. Resources will also be added to your child's class page of our school website www.ormistonmeadows.co.uk.

As you will appreciate, we are unable to provide individualised support, therefore, if appropriate, answers to questions will be issued before the next day's task is set.

Please see attached the list of websites for any additional work and resources should it be required.

In the event of an emergency you can still contact school via the office@ormistonmeadows.co.uk email address, we also have emergency contact numbers 07895367997 and 07895368847 which will be monitored during school hours but should only be used in case of an emergency.

Mrs Moore
Principal

Free resources to support home learning

<https://www.twinkl.co.uk/offer> and enter the code UKTWINKLHELPS. Twinkl have created a number of helpful guides, designed for parents, for different areas of the curriculum. Please visit the dedicated [Parents' Hub](#) which contains hundreds of educational activities designed for use at home.
