## Getting Started

To get MarvellousMe, you need a Parent Join Code from your child's teacher. This creates a special bond between you, allowing them to send you wonderful news about your child's day at school.

Please ask your child's school or teacher to give you a code.

The image shows a sample email from MarvellousMe. At the top left is the MarvellousMe logo. To the right, it says 'Parent Join Code for Billy' followed by the code '12345'. Below this, it says 'Sign up at [www.marvellousme.com](http://www.marvellousme.com) or [download the app](#) on Apple and Android devices.' The main body of the email starts with 'Dear Parent/Carer' and explains that the teacher will use MarvellousMe to keep the parent informed of their child's activities and achievements at school. It describes MarvellousMe as a 'light touch' app that offers real-time updates and is easy to share with people the parent chooses. It lists three ways MarvellousMe will help: have a meaningful conversation with the child about school, continue learning and practice at home, and celebrate successes. It then provides instructions on how to sign up: download the app from the App Store or Google Play, or go to the website. It also lists the sign-up steps: enter the parent join code, name, email, and password. At the bottom, there is a section for 'Please return for my records' with a line for the parent's name and a checkbox for consent to share photos, videos, and audio. There is also a line for the parent's signature and name.

- Download the **MarvellousMe for Parents** app from the App Store or Google Play Store. **It's free!**
- Or sign up via your internet browser.
  - Go to [www.marvellousme.com](http://www.marvellousme.com)
  - Tap 'Get Started'.
  - Tap 'Parents'.
  - Tap 'To sign up and use MarvellousMe on your PC'.

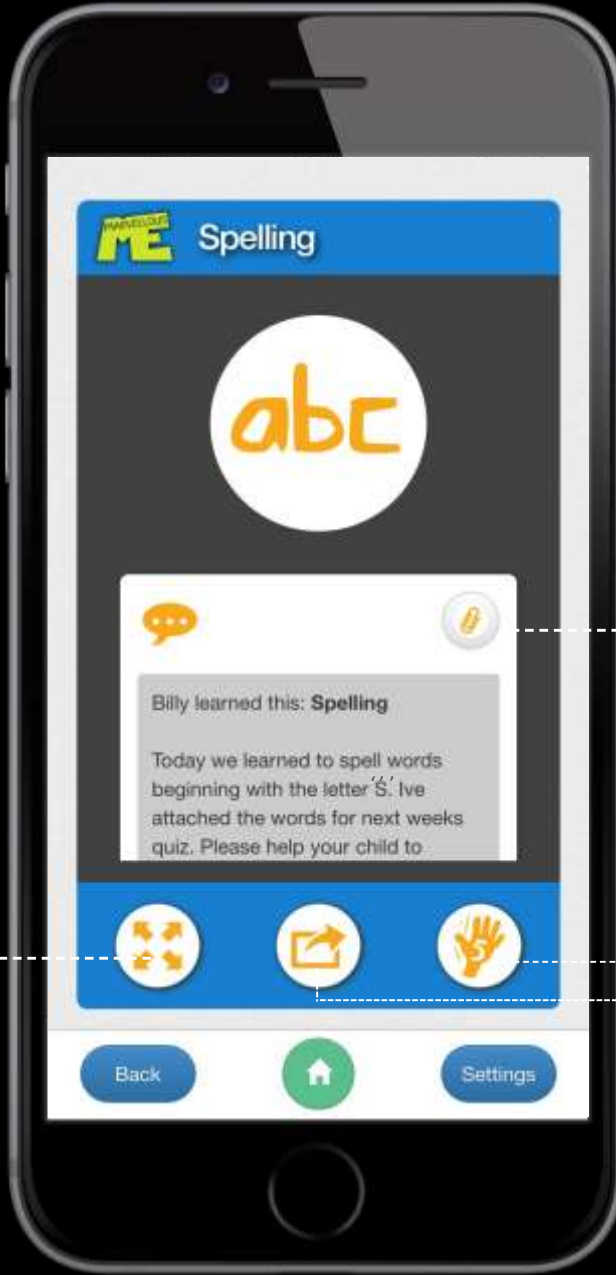

We recommend using the Apple or Android app, so that you receive the instant notifications.

If you are using MarvellousMe on a PC, or Windows device, please toggle to receive email alerts in 'Settings.'
